

Volusia Spyder Ryders (Port Orange) Wants You As A Member!

The “Volusia-Spyder-Ryders on www.meetup.com” have formed a social meeting group. This “meeting group” was formed by Bruce Williams of Port Orange is the primary “Organizer.” I am his unofficial organizer when Bruce is busy with other things.

Meetup.com is a unique internet service provider in that they provide a on line meeting place for groups to come to plan “meetup’s.” To join is “free to the members, your e-mail address is highly protected and does allow group wide mailings. Meetup.com does not provide individual e-mail functions.

Members only have access to the full account. Non-members can only go as far as the “home page” without joining up. Any Volusia Spyder Ryder member can set up a meetup or multiple meetups, start a discussion on any subject matter etc.

How do I join?

Navigate to the web site www.meetup.com/volusia-Spyder-Ryders/. Click subscribe or join and follow the guide. Once you have joined if you find you don’t want to be a member you can drop out by unsubscribing and your out of the group. Very Simple sequence.

For further information email me at bob@wa4idi.org or go to my web site www.wa4idi.org and click on Spyder (there will be a web page very soon). I can be reached at (386) 615-1305 between 9 AM and 7 PM. I am in Ormond Beach.

Ride Safe & See you at a meetup.

Bob Ledford, A Volusia Spyder Ryder Member
